**QUESTION 04**

Does PG&E have a copy of the Institute of Electrical and Electronics Engineers (IEEE) standard called "C37.230-2020 - IEEE Approved Draft Guide for Protective Relay Applications to Distribution Lines" ([https://standards.ieee.org/standard/C37\\_230-2020.html](https://standards.ieee.org/standard/C37_230-2020.html))? If so, please provide a copy. (The Public Advocates Office understands that the document may be deemed confidential.)

**ANSWER 04**

PG&E is not able to provide the material requested because it is copyrighted by IEEE and PG&E cannot share or distribute copies of these materials. Cal Advocates can go directly to IEEE for these materials, although a subscription or licensing agreement may be required.
