**SUBJECT: ASSET INSPECTOR RETENTION**

**QUESTION 05**

How has PG&E worked to retain and keep inspectors for asset inspections?

**ANSWER 05**

Yes, we work to retain and keep inspectors for asset inspections. Specifically, System Inspections continues to maintain our internal Inspector headcount. As Compliance Inspectors leave for other opportunities, retirement, etc., we post and fill these Inspector positions through our International Brotherhood of Electrical Workers (IBEW) bidding process to maintain our headcount.
