* The Electric Home Rate Plan includes a \$15-per-month Base Services Charge that lowers the price you pay per unit of energy (KWh), on average, compared to other rate plans.

Due to rounding, the displayed pricing may not exactly match the prices displayed on your bill. Pricing is estimated to the nearest one cent. Listed prices may not reflect recent changes to rate plan pricing.

Baseline Allowance consists of an allotment of energy available at the lowest price, based on where you live, your heating source, and the season (summer or winter). [Learn more about Baseline Allowance.](#)
