

Create a CORE Account Using a Tablet or Smart Phone

Provide your CORE Admin with an email to use for CORE. The CORE Admin will send you a registration email to create a CORE account.

Step	Description
1	<p>From the registration email, tap the Click Here link.</p> 
2	<p>CORE takes you to the App Store to download the CORE app. Tap Download on the App Store.</p> 
3	<p>Tap Open.</p> 
4	<p>The App store displays the CORE icon. Tap Get.</p> 
5	<p>Enter the password for your tablet or smart phone. Tap OK.</p> 

Create a CORE Account Using a Tablet or Smart Phone

7	<p>CORE is installed. Tap the CORE icon.</p> 
8	<p>Tap Allow.</p>
9	<p>Tap Sign Up.</p> 
10	<p>Enter your name, the email associated with CORE, and a password that you want to use to access CORE. Tap Sign Up.</p> 

Create a CORE Account Using a Tablet or Smart Phone

Step	Description
11	<p>Review the Terms of Service. Tap Accept.</p>  <p>The screenshot shows a mobile interface titled "Terms of Service". The text reads: "We have recently updated our Terms of Service in compliance with General Data Protection Regulation (GDPR). Before you can access the Core Service, we need your consent for the collection and use of some personally identifiable information such as:" followed by a bulleted list: "• Email address is used to identify recipients of file transfers and members of collaboration spaces as well as to allow us to send email notifications and marketing communication concerning our service", "• First and Last Names are used to personalize email notifications and to identify user profiles", and "• IP addresses are identified to provide our users with file transfer tracking and audit trail features". At the bottom, it says "If you consent to these terms, please click I ACCEPT." and there are two buttons: "NO THANKS" and "I ACCEPT".</p>
12	<p>CORE displays a message requesting you to access your email to confirm your new CORE account.</p>  <p>The screenshot shows a blue card with the "opentext" logo and "CORE" in large white letters. Below the logo, it says "Thanks for registering. Check your email to confirm your account." The text "Check your email to confirm your account." is highlighted with a yellow box.</p>
13	<p>From your CORE email, tap Please Confirm Your Account link.</p>  <p>The screenshot shows an email inbox on a mobile device. The selected email is from "notification@core.opentext.com" with the subject "Welcome to OpenText Core, Phillip!". The email body contains a "Notification" header and a message: "Hello Phillip, Welcome to OpenText Core!". At the bottom of the email content, the link "Please confirm your account!" is highlighted with a yellow box.</p>
