QUESTION 04

- a) Has PG&E engaged in benchmarking, data-sharing, or other collaboration with SCE with regards to PG&E's EPSS program?
- b) If the answers to parts (a) is yes, please describe the collaboration(s).
- c) If the answers to parts (a) is no, please explain why not.

ANSWER 04

- a) Yes. PG&E has been actively participating in benchmarking and data sharing with Southern California Edison Company (SCE) regarding PG&E's EPSS program.
- b) PG&E has been participating in a monthly meeting with SCE and San Diego Gas & Electric Company (SDG&E) on wildfire mitigation protection topics since 2019. SCE is a key partner in these discussions. In addition to this, we have had several phone and e-mail conversations where we have exchanged details of EPSS in 2021 and 2022. These discussions have been conducted under a non-disclosure agreement.
- c) N/A
