Good morning Richard,

Hope all is well.

Any luck reaching out to your team regarding the remaining questions on the IOU Questionnaire.

We'd like to have this document fully completed before we meet with the folks from Cal Poly.

Good morning Richard,

Just following up to see if you are able to work with your SCE team to respond to the remaining questions on the IOU Questionnaire before the **end of the week (4/19)**:

I am in the process of compiling all of reference documents that pertain to the IOU Study with Cal Poly and we just need to finalize the Questionnaire.

Please let me know when you and your team have made your updates.
