

Six Month Notice To Transfer To Direct Access Service

This completed form notifies Pacific Gas and Electric Company (PG&E) of your intent to transfer your service agreement(s) to direct access (DA) service. You will receive confirmation from PG&E within ten business days that will specify the date your Energy Service Provider (ESP) must submit a Direct Access Service Request (DASR) to PG&E in order to complete the transfer of your service agreement(s) to DA service. This is important information that you will need to provide to your ESP to complete your request. This date is significant because if PG&E does not receive a DASR by this date, your service agreement(s) will be switched to Transitional Bundled Service (TBS) for a period of up to 60 days. If a DASR is not received by the end of this 60 day period, then your six month notice to return to DA service will be cancelled, and the cancellation will serve as your six month notice to return to bundled portfolio service. You will remain on TBS for a period of six months and then begin a new three year commitment period on bundled portfolio service.
