APPLICATION
FORM

This Application Form and Instructions supersedes and replaces the 2006-2008 Energy Efficiency Rebate Application Form and Instructions.

SECTION 6

TERMS AND CONDITIONS: READ, SIGN, AND DATE PAGE 1, SECTION 5

- To be eligible for a rebate I understand that I must be a customer of Pacific Gas and Electric Company (PG&E) with an active meter serviced by PG&E. I understand that if I am installing products at more than one residence or facility, I must identify each individual address and Service ID # on the "Rebate Product Information" section. All uses herein of the words "install", "installation", or similar phrases shall mean complete installation such that the subject products are fully functional and operational.
- As a business customer, I agree to provide PG&E with 100% of the energy savings for the rated life of the product(s) or for a period of three (3) years from receipt of rebate, whichever is less. If I do not provide the energy savings or if I cease to be a customer of PG&E during the 3 years, I shall refund a prorated amount of rebate dollars based on the time installed.
- I understand the program term is January 1, 2009 through December 31, 2009 (the "Program Term"). However, should the California Public Utilities Commission (CPUC) approve the 2010-12 Energy Efficiency Portfolio through 2012, then the Program Term shall be revised to commence January 1, 2009 and end December 31, 2012. Qualifying new products installed within the Program Term are eligible for a rebate. Program offerings and rebate amounts may change during the Program Term. Resale products, products leased less than 3 years, rebuilt, rented, received from warranty or insurance claims, exchanged, won as a prize, or new parts installed in existing products, do not qualify. The Program may be modified or terminated without prior notice, and payments are subject to the availability of Program funding. To be eligible for a rebate, applications with proper supporting documentation must be sent to PG&E's Integrated Processing Center (IPC), postmarked no later than 60 days following the expiration of the Program Term.
- I understand that this signed and dated "2009 Interim Application Form", completed "Rebate Product Information" incorporated herein by this reference, all appropriate proof(s) of purchase, and other required documentation as referenced in this application must be sent to PG&E's IPC to be considered eligible for payment of a rebate. A rebate check for qualifying product(s) is generally mailed 6 to 8 weeks after PG&E receives and approves a completed application including all required documentation unless an application is selected for a verification, which may add additional time. An incomplete application cannot be processed for payment.
- I will allow, if requested, a representative from PG&E, the California Public Utilities Commission (CPUC), or any authorized third party reasonable access to my property to verify the installed product I have purchased before a rebate is paid. I understand that a rebate will not be paid if I refuse to participate in any required verification. The verification of installation must be scheduled within 30 days of customer contact by PG&E. I understand that PG&E may contact the qualifying product vendor and/or installer, if needed, to verify purchase and/or installation and may provide my name and/or address to complete this verification.
- I have installed a qualifying product(s) and understand that the energy-efficiency eligibility requirements for each stated product (as defined in the Catalog) determines the rebate amount. The rebate amount cannot exceed the purchase price.
- I have installed a qualifying new product(s) in accordance with all applicable federal, state, and local laws, building codes, and manufacturer's specifications.
- I understand that I cannot receive a rebate for the same product or equipment from more than one California investor-owned utility or third party energy-efficiency program offering rebates, financing or other rebates funded with CPUC Public Goods Charge funds. Products discounted by PG&E at the point of sale are not eligible for additional rebates.
- THE UTILITY MAKES NO REPRESENTATION OR WARRANTY, AND ASSUMES NO LIABILITY WITH RESPECT TO QUALITY, SAFETY, PERFORMANCE, OR OTHER ASPECT OF ANY DESIGN, SYSTEM OR APPLIANCE INSTALLED PURSUANT TO THIS AGREEMENT, AND EXPRESSLY DISCLAIMS ANY SUCH REPRESENTATION, WARRANTY OR LIABILITY. - I understand that PG&E is not responsible for items lost or destroyed in transit through the mail or electronic medium. Original applications will become the property of PG&E.
