

Documents Referenced in PG&E's 2022 Wildfire Mitigation Plan

Pursuant to the 2022 Wildfire Mitigation Plan (WMP) Guidelines issued by the Office of Energy Infrastructure Safety (Energy Safety), Attachment 5, p. 10, PG&E is providing the following information regarding documents referenced in our 2022 WMP. For brevity and efficiency, PG&E is providing a link to each of the documents below. Where documents are not available publicly, we are providing them as attachments, as indicated below. In some cases, there is a direct link in the 2022 WMP to materials or information and so that information and link is not repeated here.
