

Brooke Reilly  
Vice President and Chief Procurement Officer  
Pacific Gas and Electric Company

Supplier diversity has been a core value of Pacific Gas and Electric Company (PG&E) for more than 40 years. The Supply Chain Responsibility organization is responsible for developing and leading strategies to promote an inclusive supply chain.

Small and diverse suppliers enable PG&E to deliver energy to our hometowns and fuel California's economy. It is our policy that small businesses, veteran-owned small businesses, service-disabled veteran-owned small businesses, HUBZone small businesses, small disadvantaged businesses, and women-owned small businesses shall have the maximum practicable opportunity to participate in PG&E's procurement opportunities, to the fullest extent consistent with efficient contract performance.
