The following questions relate to PG&E's 2021 Wildfire Mitigation Plan – Revised, submitted June 3, 2021.

QUESTION 01

In response to Remedy 1a of Critical Issue PGE-02, PG&E describes four internal validation reviews.¹ For each of these reviews, please provide meeting minutes, presentations, conclusions, informal reports, or other documentation of the discussion and conclusions from these meetings.

- a) Review by Enterprise and Operational Risk Management department conducted in April 2020.²
- b) Review by Distribution Asset Strategy and Vegetation Management teams conducted in Q2, 2020.³
- c) Review by the Public Safety Specialists team and members from the Wildfire Safety Operations Center (date of review not stated).⁴
- d) Reviews by the Wildfire Risk Governance Steering Committee conducted from October 23, 2020, to October 30, 2020.⁵

ANSWER 01

PG&E objects to this request as overbroad and burdensome given the three-day response time for discovery. Subject to and without waiving this objection, we are providing the materials that are available based on the short time to locate and provide materials responsive to this request. In addition, please note that there were additional meetings which occurred as a part of the internal review and validation process that are not captured by or reflected in the materials that we are providing.
