The following questions pertain to PG&E's quarterly notification and WMP quarterly data report for the second quarter of 2022, filed with Energy Safety on August 1, 2022.

**QUESTION 02**

In Table 4 of its second quarter Quarterly Data Report, PG&E reported one fatality of a member of the public due to wildfire mitigation initiatives in Q1 2022.

- a) Please identify the date, time, and location of the fatal incident.
- b) Please state the circumstances that led to this fatality.
- c) Please list the wildfire mitigation initiative(s) that were associated with this fatality.
- d) Please provide copies of any reports related to this fatality that PG&E provided to SED, OSHA, or other regulatory agencies.
- e) Please describe the root cause(s) of this fatality.
- f) Please describe what measures, if any, PG&E has put in place to mitigate the risk of future fatalities related to the root cause(s) in part (e).
- g) Please describe any measures that PG&E plans to put in place to mitigate the risk of future fatalities related to the root cause(s) in part (e).

**ANSWER 02**

After further review, we determined that this fatality was not the result of wildfire mitigation work associated with our WMP. As a result, the WMP tables will be revised to reflect this update.
