SUBJECT: SYSTEM HARDENING

QUESTION 005

For the undergrounding work described in PG&E's 2023-2025 WMP, please describe PG&E's policy concerning undergrounding of secondary distribution lines (as opposed to primary lines) and the removal of poles on which secondary lines are attached. To the extent that this determination varies by project, please describe the criteria that PG&E uses to decide whether PG&E undergrounds secondary lines in a given location.

ANSWER 005

Please see response to TURN_005-Q004, which includes our policy as it relates to secondary distribution lines.
