

Lowering energy prices

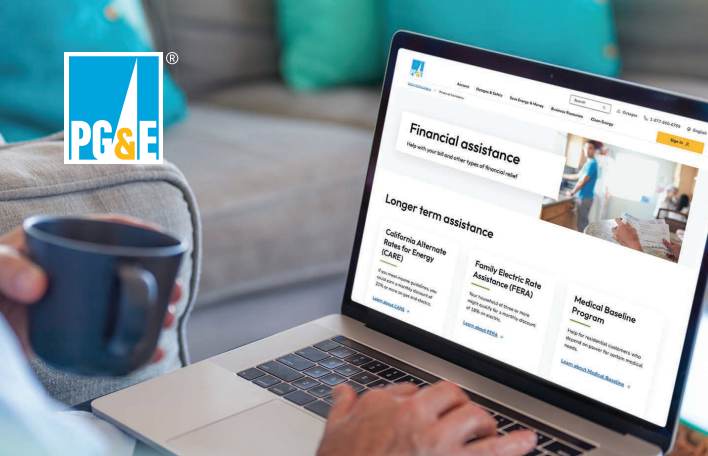

Every day we are working to deliver a clean, resilient energy system at the lowest price.

Current efforts include:

- **Reducing** our operating and materials costs while improving safety
- **Permanently solving** fire risk and reducing tree trimming costs by undergrounding powerlines in high fire-risk areas
- **Offering** programs and discounts to help you save energy and money

Visit [pge.com/lowerprices](https://www.pge.com/lowerprices) or scan the QR code to learn more and see how your energy dollars are being put to work.

Need help with your bill?

We're here to help by offering you support for higher bills and other types of financial assistance.

- Find the **best rate plan** to fit your needs.
- Sign up for **pay plans** to choose when and how to pay your bill.
- Save money and energy by following our **energy saving tips**.
- Get help paying your bill by signing up for our **payment assistance programs**.
- The **Relief for Energy Assistance through Community Help (REACH)** program may help qualifying low and moderate-income customers with a credit of up to \$2,000 for past due PG&E bills.
