**ENERGY EFFICIENCY**

## **Try induction cooking**

Induction stoves are twice as energy efficient as gas stoves. Try a plug-in countertop induction unit for two-weeks, at no cost.

## Benefits of battery storage systems

Enhance your school's resiliency, sustainability, and cost-efficiency with a battery storage system.

[Reap the benefits »](#)

## Explore your savings with PG&E's EV Fleet Calculator

Calculate fuel savings and total cost of ownership, including grants and incentives, tailored for your school.

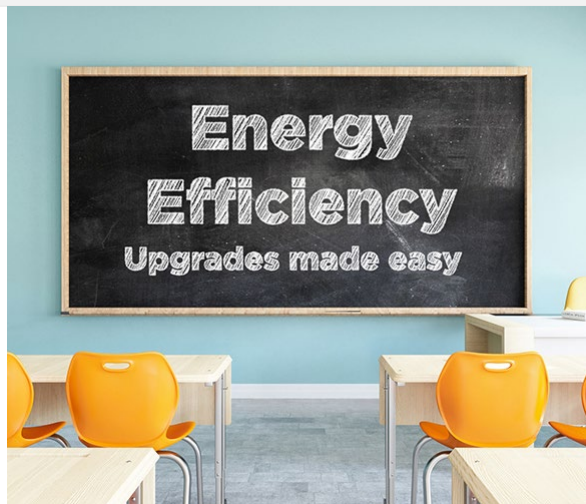

[Calculate savings »](#)

### ENERGY EFFICIENCY

## Upgrade to energy-efficient equipment

Reduce maintenance costs and meet state mandates with **Willdan Public Energy Efficiency Program** for K-12 schools.

[Start saving »](#)

### COMMUNITY

## Free safety demonstration

Invite a PG&E expert to teach your school community how to stay safe around gas and electricity.
