Frank,

Please let me know if you do not receive the email below due to file size.

Ty,

I received a message that you were not able to receive the email due to too large of a file size. Please see the email below and the attached updated research request. I'm guessing you have all of the references, but please let me know if you need me to send any of them to you.

Thank you,

**Mary Innamorato**

**Subject:** WUI - Fuels Management References

Frank,

It was great to meet you today. I have attached the following items:

1. Updated research request: The only revision is the addition of the eleventh reference.
2. Reference documents: The zip file has all of the references numbered to correspond to the reference list in the research request document (Thank you, Ryan!).

We look forward to hearing back from you later this week.

Thank you,

**Mary Innamorato**
