Advice 3150-E-A

(Pacific Gas and Electric Company ID U39 E)

Public Utilities Commission of the State of California

Subject: Supplemental Filing for Procurement of Renewable Energy Resources Resulting from a Power Purchase Agreement between Ausra and PG&E.

Purpose:

Pacific Gas and Electric Company ("PG&E") hereby submits to the California Public Utilities Commission ("Commission" or "CPUC") a supplemental filing for Advice Letter 3150-E, dated November 5, 2007. The purpose of this supplement is to amend certain terms and conditions in the power purchase agreement ("PPA") between PG&E and Ausra CA II, LLC, dba Carrizo Energy, LLC, a subsidiary of Ausra, Inc. (collectively, "Ausra"), to conform to the non-modifiable standard terms and conditions ("STCs") defined in CPUC Decision (D.) 07-11-025, Attachment A, and to update the description of the solar generation project defined in the PPA.

D.07-11-025, issued November 19, 2007, adopted language for four non-modifiable STCs that must be included in contracts between electrical corporations and projects selling electricity subject to the RPS. The Commission instructed electrical corporations to, where necessary, file amendments to advice letters currently pending before the Commission to demonstrate that the power purchase agreements contain the non-modifiable language required by D.07-11-025.

The amendment to the PPA between PG&E and Ausra ensures that the PPA conforms to all non-modifiable STCs as defined in D.07-11-025, Attachment A.

In support of this supplement, the following confidential information is being submitted under the confidentiality protection of Section 583 of the Public Utilities Code and General Order 66-C. Pursuant to the Administrative Law Judge's Ruling Clarifying Interim Procedures for Complying with D.06-06-066, issued August 22, 2006 in Rulemaking 05-06-040, a separate Declaration of Confidential Treatment

regarding the confidential information is being filed concurrently with this supplement.

PG&E provides a copy of the amendment to the PPA in confidential Appendix A.

Confidential Attachment:

Appendix A – Amendment to the PPA

Protests:

PG&E requests that the Commission waive the protest period for this supplemental filing because its purpose is to comply with the Commission's directive that RPS contracts currently pending approval be amended to incorporate the non-modifiable STCs set forth in Attachment A to D.07-11-025.

Effective Date:

PG&E requests that this supplemental filing become effective on **February 28, 2008**.

Notice:

In accordance with General Order 96-B, Section IV, a copy of this supplemental filing excluding the confidential appendix is being sent electronically and via U.S. mail to parties shown on the attached list and the service lists for R.01-10-024 and R.06-05-027. Non-market participants who are members of PG&E's Procurement Review Group and have signed appropriate Non-Disclosure Certificates will also receive the supplemental filing and accompanying confidential attachment by overnight mail. Address changes should be directed to Rose De La Torre (415) 973-4716. Advice letter filings can also be accessed electronically at:

**DECLARATION OF MARINO MONARDI
SEEKING CONFIDENTIAL TREATMENT
FOR CERTAIN DATA AND INFORMATION
CONTAINED IN ADVICE LETTER 3150-E-A
(PACIFIC GAS AND ELECTRIC COMPANY ID U 39 E)**

I, Marino Monardi, declare:

1. I am presently employed by Pacific Gas and Electric Company (“PG&E”), and have been an employee at PG&E since 2004. My current title is Principal in PG&E’s Energy Supply Department. In this position, my responsibilities include managing power procurement solicitations and negotiating power purchase agreements with counterparties in the business of producing electric energy. In carrying out these responsibilities, I have acquired knowledge of PG&E’s contracts with such sellers and the negotiation of such transactions. I have also gained knowledge of the operations of such sellers in general and, based on my experience in dealing with facility owners and operators, I am familiar with the types of data and information about their operations that such owners and operators consider confidential and proprietary.

2. Based on my knowledge and experience, and in accordance with the “Administrative Law Judge’s Ruling Clarifying Interim Procedures For Complying With Decision 06-06-066,” issued August 22, 2006, I make this declaration seeking confidential treatment of “Appendix A to Advice 3150-E-A,” submitted on February 1, 2008. By this supplemental filing, PG&E is supplementing previously filed Advice 3150-E, which seeks this Commission’s approval of a PPA that PG&E has executed with Ausra CA II, LLC, dba Carrizo Energy, LLC, a subsidiary of Ausra, Inc.

3. Attached to this declaration is a matrix identifying the data and information for which PG&E is seeking confidential treatment. The matrix specifies that the material PG&E is seeking to protect constitutes the particular type of data and information listed in Appendix 1

(the "IOU Matrix") of Decision 06-06-066. The matrix also specifies the category or categories in the IOU Matrix to which the data and information corresponds, and why confidential protection is justified. Finally, the matrix specifies that: (1) PG&E is complying with the limitations specified in the IOU Matrix for that type of data or information; (2) the information is not already public; and (3) the data cannot be aggregated, redacted, summarized or otherwise protected in a way that allows partial disclosure. By this reference, I am incorporating into this declaration all of the explanatory text in the attached matrix that is pertinent to this filing.

I declare under penalty of perjury, under the laws of the State of California, that the foregoing is true and correct. Executed on February 1, 2008 at San Francisco, California.
